October 15, 2008 - State-of-the-art physics model and realistic graphics. create the most authentic pinball simulation on PC. The beauty of pinball is that you don't have to rely on luck. From the very beginning of the game, you will be able to get what you want. The game is based on the principle of pinball. The player must hit the balls controlled by the computer players onto the playing field and score as many points as possible. The game features several game modes such as "Single Player" (single player) and "Capture the Flag" (multiplayer). To achieve victory, you need to score as many points as possible.
